CASE NO. 92-029

O R D E R

This matter arises out of a complaint filed with the Commission by Melvin Wilson ("Wilson") against South Anderson Water District ("South Anderson").

The subject matter of this complaint concerns a 12 month minimum water bill payable prior to Wilson being hooked onto the water main and also water service for a guest house. Wilson alleges in his complaint that he had to pay a 12 month minimum bill in the amount of \$114 before he could hook onto the water main. South Anderson asserts that on November 17, 1986 Wilson signed a contract agreeing to purchase water from them and that customers who signed the agreement but did not hook on were charged a minimum monthly bill. Wilson paid the \$114 bill but now requests that it be refunded.

Wilson also alleges that South Anderson is refusing to allow him to furnish water to a small guest house from the same line supplying water to his residence. Wilson claims he was told by

South Anderson that he must pay for a \$400 meter hookup, run a separate line to the guest house, and pay another 12 month minimum deposit. South Anderson further asserts that if the guest house is to be used strictly as an overflow from the Wilson residence, it could be supplied water service from the same meter.

Wilson avers that he should not be required to have a separate meter and pay an additional 12 month minimum bill for his guest house. Wilson requests that he be allowed to furnish water to his guest house from the line supplying water to his residence.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that any party desiring a public hearing in this matter shall file within 20 days of the date of this Order a request for hearing, specifying in detail any issue to be addressed at the hearing and any additional information which it deems helpful in deciding the issues in this case. If the Commission receives no such request for a hearing, then this matter will be submitted for final decision.

Done at Frankfort, Kentucky, this 28th day of February, 1992.
